**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please promote competition and move technology forward. More options will provide more use for everyone and lower costs to help people who can not afford decent service.

I am always switching services because it is either too slow or too costly. At times, I had no service and relied on having to go to a cafe or limited data on my mobile phone.
