**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a rural consumer, I chose Cruzio to provide my broadband. They are using AT&T infrastructure to give me that. I do not need more costs added on to my already high costs. There aren't that many choices in the rural part of the county that I live in. Local broadband is critical to my business. Without it, I would not survive.

I love Cruzio for its net neutrality position.

I would love to have faster internet speeds up here where I live.

More competition is wonderful, but not more cost.
