**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have my Internet and phone service from Sonic and I am very happy with the service that I get. Sonic provides with reliable service for a lower price than ATT&T. Please do no prevent broadband competition. Before Sonic I had my internet service and phone service with AT&T, and it was a nightmare. They kept increasing the rates each month.

Please allow small competitors such as Sonic to continue serving the public and providing an excellent service.
