**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I switched from Comcast to Sonic for my internet service because they offered a better price. I say NO to price hikes that will increase the cost of internet and telephone services. I am tired of being nicked and died to death for these services! I believe competition between providers is good for the consumer. I am tired of big corporations monopolizing the fees to the consumer.
