**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my ISP after experiencing Comcast for a few years. I really like the Sonic experience and service, much more than Comcast provided - faster service, for less cost. We are one of the lucky ones that were able to get the fiber service offered by Sonic. And we also have phone service from Sonic, which we really like, especially compared to what AT&T offered, or using VOIP over Comcast cable.

If you enact policies to force Sonic out of the market, we will certainly end up with slower service for more cost, which is why I dumped Comcast.

Please enact policies and rules that INCREASE competition, not reduce it.

Regards.
