**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I and many of my friends are long time customer of Sonic. Not only the cost and service are outstanding for the internet part of service, but the telephone as well, which a big saving for local and international cell is for the land line. We all residential customers, many of them live in the city of San Francisco. It is critical for us to maintain Sonic service alive at times when cost of living is skyrocketing.
