**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a user of a small but fantastic ISP. I could have chosen one of \*only\* two major national providers who serve my area, but my provider, Sonic.net, has served me extraordinarily for almost 2 decades now.

I am a consumer who supports broadband competition. I oppose the changes being considered. I used to have AT&T as my telephone provider. I now have my telephone services bundled with my ISP.

I oppose price hikes that will increase my costs for Internet access and phone services.

Technical help with Sonic.net is beyond helpful in comparison with what is provided by Comcast (my cable provider). I do NOT want to have my local ISP compromised by changes you are considering.

As the saying goes, if it aint broke, dont fix it.
