**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a Sonic.net customer my household will be materially affected by this action. We need more competition not less. Competition brings lower prices, that's what the FCC should be working on. Not providing monopoly power to the large providers. Local broadband providers, like Sonic.net, give people like me local alternatives to the large corporations.
