**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please, for all that is holy, find a way to keep AT&T and Comcast from owning more of our communications infrastructure. I never want to do business with these companies. I have been getting my DSL from a local provider for the last fifteen years, at competitive prices, with terrific customer service that provides meaningful local jobs. Please ensure that local companies are able to stay competitive in the broadband market.
