47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Save Competition!!!

NO price hikes that will increase the cost of internet and telephone services!!

Broadband is critical to my home, business and childrens school. The costs-of-living are already insane. I dont know what you expect from the average American people, but please help us with something as basic as Internet service!!!

Do the right thing!
