**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

More competitors is better for the economy and the future of our country. Limited providers causes monopolies and price hikes that benefit shareholders but destroys the middle class. Please prevent the price hikes that will occur without a free economy. Broadband is critical to my home, business and our local schools.
