**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This summer I signed up with Sonic because they offer fiber optics which are faster and more reliable than what AT&T is offering. I have been very pleased with the service and am very glad I made the switch.

AT&T was always finding new ways to charge us more and their service was slow and costly.

OF COURSE we need choices!
