**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of our local Sonic internet provider. I am against price hikes that will increase the cost of internet and telephone services.

Companies such as Verizon and AT&T do not serve the best interests of local and rural consumers, and are proponents of taking away our copper landlines to better serve their own financial interests and the expense of seniors as well as rural customers.

Their desire to spread 5g across the broadband networks country-wide is dangerous to the health and well-being of us all.
