47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support the ask from Sonic. Im a customer and a small business owner relying on broadband service from Sonic.

Im not ok with any price hikes as this will impact my ability to survive the high cost of doing business. Im also supportive of having competition among service providers, no monopoly from at&t or other big players.
