**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop the USTelecom petition! We choose Sonic because we are a customer not a number like we were with AT&T. Stop allowing big business to control our choices! During the fires in October of 2017, we were the information source for our neighbors. Sonic was the working; our internet worked, our phones worked. Those who had Comcast and AT&T were in the dark. I was able to give much needed updates regarding the fire surrounding us to those at our shelter. If we all had Comcast, AT&T or any other big business we would not know what was going on.
