**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A few years ago, we switched to a small combined broadband and landline phone service provider to our home because we were fed up with AT&T's terrible customer service and the high prices that kicked in after an introductory period. Our current company, Sonic, has provided excellent customer service at reasonable cost that has risen only slightly over the several years we have been using them. I DON'T want to be forced into a choice between AT&T and Comcast, which is equally bad. I support broadband competition.

Sincerely,

Henci Goer
