**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The Comcast near-monopoly in our area gave us mediocre broadband at incredibly jacked up rates. The data limits meant we were paying 3x for one-fifth the speed compared with what we are now getting with Sonics unlimited fiber. Please do the right thing and give small responsive local providers a chance to compete and push the improvement of technology, service and consumer value for the entire community.
