**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to choose my own internet provider. No monopolies!

I live in a rural community. I like my local provider. No more price hikes. Broadband is very needed in this community, small town, agricultural valley, tourist mecca.

Big business has no right to run the whole show. It is actually a red flag to me to have one greedy company in charge of what needs to be a public access service.
