**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to use a competitive provider (Sonic.net) because the major providers do not offer a package that meets my requirements (phone and internet only)

We must keep small providers like Sonic since not everyone needs or wants the packages that the big companies like AT&T provide.

Not everyone needs or wants cable tv and bundled content they force one to settle for.

Keep broadband competition alive! Keep last mile copper lines in place!
