**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic as my service provider, because they provide better service (far better) at a cost I can afford. We are on a limited budget and without the wonderful internet connection provided by Sonic we would be unable to afford to keep our internet. We cannot afford to have these prices rising. We are struggling to keep up with rising health care costs, rising gas prices, rising food costs. Please allow competition to continue. It is very important to us and to so many other that we know. We feel very fortunate to have this service, both internet and phone, at a price we can afford. Do not take this away from us so that large companies can make more money and we lose.

Thank you,
Roland and Dana Garcia
