**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support legislation and enforcement that increases competition, that supports small ISP's, like Sonic, to increase competition in the marketplace.

Broadband internet access is a crucial resource in today's economy, and benefits from competition to maintain competitive pricing and continued innovation in this technology.
