**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition and opposes the USTelecom petition. I choose "Sonic", my local small provider because of their excellent customer service. I was sick of having no "good" choice between service providers. Big providers like AT&A and Comcast have bad customer service, many limitations to their provided services and they over-charges consumers due to their monopoly.
