**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im the consumer using Sonic to get fiber to my home. Its 10x better than any of the current offerings in my area. Attempts to restrict competition benefit no one. If nothing else factor in customer satisfaction with existing players in your analysis. I have no doubt that youll quickly find the players that benefit from added restrictions are also the most loathed and disliked. Dont screw this up.

I had DSL previously. Its terrible. I want options and competition in my area.
