**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to stay with my independent internet provider. I want choice. I do not want big companies to be able to force the little independent service providers out of business.

I do not want the price hikes that will follow if big providers are given special treatment.

I am disabled and housebound. Broadband is my lifeline to the world. My little independent provider gives me the personal attention that I need. The big providers don't care about customers the way the independents do. It's hard to get through to a real person to take care of needs in these big companies.

Please don't reduce the competition and drive the independents out of business.
