**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For the past few years I have chosen to purchase phone/internet services from a smaller competitor to the large corporations; I have been very happy with the level of service (technical and personal) and do not wish to see large corporations use their financial heft to back legislation thwarting smaller competitors (an very unfair practice, untrue to American tradition).

I wish to add my voice to those of other American's who wish that more competition exist, not less.

Cordially

Ian Hughes
