**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently with Sonic DSL internet with landline telephone service. I believe Sonic provides competitive pricing for their services. As a consumer, competition drives prices down and innovation up between the respective companies. If the suggested changes increases prices and lowers consumer choices, then that is bad for me (and for a lot of other people). With the high cost of living in San Francisco, CA, every cost-saving solution helps.
