**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep telecom competition alive. My internet provider Sonic.net is affordable, responsive and helpful in ways I have never received from the larger, more expensive and less service-oriented companies that I have used in the past.

My family uses Sonic for home and for our two self-employed businesses, both internet and telephone services. We are very pleased with these services and want the laws supporting these kinds of companies.

Sincerely,

Juliet Dantin
