**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to use Sonic because my previous service with AT&T and Comcast is unreliability and has slow speed. Sonic provides a fiber broadband service that is far superior than what AT&T DSL provides. Sonic's service is also significantly more affordable than my previous providers. A reliable broadband is critical for my ability to work from home for my job. I will be materially harmed by removing of competition.
