**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having the choice of providers for phone and internet is the reason we broke up Ma Bell decades ago. Real competition - not in name only - is what drives innovation and better service. As citizens and consumers, we hold the FCC responsible for ensuring that there will always be choices in service providers, leveling the field and ultimately benefiting all in the long run.
