**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please respect competition and the development of smaller companies providing better service. I recently switched to a smaller telecom provider and they have far out performed Xfinity in service, price, and customer service. So much so they have inspired me to write this note. Please respect what they are doing in the market and for the development of fiber.
