**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am consumer or small business owner who supports broadband competition. It would be hard for me to run my business without being able to get the best and most affordable internet pricing. I worry that by not allowing smaller companies to provide services I'd be faced with being able to afford internet at my rented office vs. making some sort of office at my home. Which in my profession would be very detrimental.
