**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am both a small business and personal customer of broadband and want to see vigorous competition in this market, with both large and small vendors competing in a fair marketplace.

The continuing availability of multiple independent vendors in the broadband market is critical to market health and thus customer value and choice.
