**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value the service that a competitive provide offers me. They need to work hard to earn my service by providing good service and customer support. Price hikes would reduce accessibility in a world that increasingly requires internet access. I strongly urge you not to deregulate this important resource.

Thank you,

Kenneth Andrade
