**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I just escaped an expensive internet provider that provided mediocre service and signed up an amazing provider with competitive pricing and I DO NOT want to go back!

Broadband is critical to my home because my household mostly work from home and we need reliable internet. Say NO to price hikes that will increase the cost of internet and telephone services!
