**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our choices here are very limited. We have one broadband provider for Internet service. The large corps do not offer anything other than telephone service. Competition is a good thing, but costs must be held down, so that all my have equal access to Internet. In today's world in a rural area it is as necessary as a vehicle . Please consider what is best not for the large wealthy companies, but for the average people and small companies that keep this country going and growing.
