**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would be materially affected by this anti-competition lobbying. My local ISP provides gigabit broadband service using these unbundled wires. My service is excellent and the price and customer service beats Comcast and AT&T. Please protect competition and continue allowing smaller independent ISPs access.
