**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of sonic.net and I value their high-speed internet connection. Their service allows me to have faster internet at cheaper prices -- a fact I verified for myself by checking the alternatives, which is what led me to switch last year to their service. I definitely believe that competition is very important and I would be extremely upset if this option was taken away from me by government regulation, especially if the result was simply to strengthen big Telco monopolies!
