**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a relatively small ISP (Internet Service Provider) for my business. For the past 25 years they have given me excellent service, the kind I know is impossible to get from large providers. The only way they can provide this is using DSL over copper wires that have been available through AT&T.

We don't need less competition in this industry, we need more. I'm urging you to deny the US Telecom petition.
