**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider, Sonic, for my business internet service because their service and support are superior to the big providers like ATT and Comcast. I get local support that can quickly answer my questions.

Please don't stifle competition by following the recommendations of USTelecom. Competition is good and YES there is still competition in the marketplace.
