**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to use AT&T DSL, but now I am connected on a fiber network with Sonic. They are wonderful! It has made such a huge difference to have a responsive, local provider. I am a self-employed CPA, and I work out of my apartment, so, yes, I am a residential customer, but I also run a business.

It is so important to have competition in this area, and I do not understand why you would want to stifle competitive energy. Please do not implement this anti-competitive rule!
