**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This letter is a request that competition in internet service continue to be robust so that local providers have an opportunity to serve small and large communities. I want to know who is providing this now essential utility. I do not want a mega provider monopolizing internet service.

Please consider this when making decisions that effect the average citizen.

Sincerely,

Jody Weldon
