**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to express my support for broadband competition. I get my service from sonic.net, a small local provider, whose service is far superior to those of larger companies. I started with Sonic DSL and now have Sonic fiber (which includes my phone service as well).

I am concerned that limiting competition will lead to higher prices. Approval of this petition benefits the large companies at the expense of small local providers and hurts consumers.
