**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to encourage you to facilitate more competition for Internet services. I live in San Francisco and am a Sonic customer for Internet services. The service has been excellent and affordable because Sonic has been allowed to compete in the San Francisco market. I fear limiting competition in any way will result in increased prices as has happened in many communities in the US.
