**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic to provide the internet service and telephone service because their price is half of AT&T. I believe more competition will keep the cost down for the consumers. I am a senior on fixed income, therefore, increase cost of internet and telephone services will negatively affect my quality of life.

Thank you for your kind consideration for the consumer needs.
