**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I own a small business, having access to the internet is imperative. Reducing choices and creating monopolies in this industry will hurt all business. It will raise prices and reduce the wages I can pay my employees.

That is just in the short term, long term you are handing all the power and revenue to a few companies which will stifle innovation and quality. Please don't allow this to happen.
