**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Infostructure provides a superb service. I do not need AT&T to put them out of business.

I use AT&T for something else and they raise their price about 2% each month using their monopoly position.

Competition is important to this business. Please let it continue to exist.

Thanks for protecting our price position
