**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Leave the 1996 Telecommunications Act alone. This country, the USA, needs, wants and deserves net neutrality.

Higher internet prices are not for the betterment of society.

Broadband is critical to the needs of children, students, families and business.

Stop this overt stab at greed and avarice just for the sake of the dollar for the benefit of the few from the cost of many.
