**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I absolutely do not want to be stuck with the choice of Comcast or AT&T. I've tried them both and they stink. I currently use Sonic and love it. They are responsive when I have questions and are local. The service they provide is far better than the two big providers. This is supposed to be the land of opportunity, but not if big companies have a monopoly to provide service.
