**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer than supports competition for broadband. ATT and Verizon have terrible customer service and plans. I use a local service called Sonic that has been stellar and excellent service for both internet and phone.

We have fiber getting installed and do NOT want to go back to ATT or Verizon. Competition is good for everyone.
