**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our country values diversity in all things including big business. The US Telecom act is against the basic principles of diversity and fair competition in our country. Don't allow big business to become so big it stifles competition and over controls access making our country smaller giving control to fewer and fewer.
